## The Theme for this year's Summit is: “Equipped for Ministry”

In order to see His Kingdom come and His will done on earth, the King is sending forth His servants.

Just as the Father sent His Son into the world, so He is choosing, calling out, equipping, and sending those who are willing and who are obedient into the world to do His work.

Have you been called and chosen by God to represent Him to this sick and dying world?

Have you been called to be a supporting member in the Body of Christ helping others to “Go”?

If you are serious about serving God, doing whatever He requires, then this is a Summit you should attend.

Come and learn how to be an Ambassador, Messenger, and Servant of God!

Coastlands Ministry is part of a broad network of churches and ministry streams.

We are a non-traditional and non-denominational Missions network helping to equip and unite the Church.

Our “Mission” is to establish, build, and strengthen the Body of Christ in remote and difficult parts of the world.

Our Lord is calling many to serve Him in these isolated, hard to get to, and often dangerous places. He is equipping them, Spiritually and physically, and sending them to the unreached in the nations.

This summit will be a time of equipping. It will be a time of inspiration, teaching, impartation, and fellowship.

He is the Lord of the harvest!

# Focus

Our focus this year is on being equipped for ministry.

The Holy Spirit is speaking to His Church to get serious about our service to the King and His Kingdom.

Our King is calling and sending servants to represent Him and His Kingdom to the world as ambassadors and messengers.

This Summit will focus on being equipped to be effective and fruitful in His calling.

This will be a profitable time of preaching, teaching, testimonies, personal ministry, networking, and fellowship.

We will have insightful testimonies from those recently returned from Papua New Guinea with video presentations and times for questions and answers.

This will be a helpful time of sharing practical lessons, experiences (the good and bad), and the marvelous things that God is doing.

Come expecting to receive!
